5 4 2016 EPA letter to Supervisor Adam Hill SLO re Arroyo Grande AE.pdf

David –

Michele just informed me that you would like the 5/4 letter to Supervisor Hill added to the Additional Resources column on the CA UIC webpage. Attached is the 5/4 letter.

Do you also want me to include Supervisor's Hill letter of March 7th? Our 5/4 letter included an enclosure which I assume is the 4/19/2016 letter from EPA to DOGGR requesting more info on the AG AE. However, it is not included in the pdf'ed letter. Should I add it or keep it as is since the 4/19 letter is already on the webpage.
